### Playing the piano?

Do you have musical  
skills, particularly  
playing the piano,  
which you would be  
willing to use to play  
on a Sunday morning,  
on a rota basis?

Or do you know of someone who might like to use

## Our people

### Spotlight on ... Andrée Smith

Andrée has been attending Norbury Baptist Church with her husband  
Raymond for about nine months. Whilst she hasn't yet found a particular role in  
the Church she always likes to help, for example washing the cups, baking  
cakes for meetings, and reading Bible readings at our Sunday services. She  
also sings with the Hope group and says that she "would like to see what other  
ways I can contribute".

There are lots of things that Andrée really likes about the Church, particularly  
the welcome, being accepted, and the love of the fellowship. She also really values the preaching,  
worship, Bible study group and Coffee and Chat, and has enjoyed "meeting people and making friends".

Andrée is originally from Switzerland. She trained as a paediatric nurse and worked in Early Years for 40  
years. She "received a life-time achievement award from Lambeth Council for services to early years  
pre-school education". Now retired, she likes to visit friends and spend time with her family. She also  
enjoys going to the cinema, theatre and concerts, as well as travelling and walking. She sings in a  
community choir and previously "sang in an acapella group for many years."
